

# PATH TO YOUR PENSION

Unilever

THIS CHECKLIST WILL HELP YOU KEEP ON TOP OF WHO HAS TO DO WHAT – AND WHEN.

# ON THE HOME STRAIGHT

Thinking of taking your Unilever pension in the next 12 months? We hope you're looking forward to a long, happy and healthy retirement.

Just before you head off, though – there is a bit of admin to do, to make sure you get the right benefits, at the right time.

Our teams work together to try and make the process of leaving Unilever and drawing your pension as easy as possible for you – you can read about them at the end. But at certain stages, you'll need to take action to make everything run smoothly.

**SO... REMEMBER THE '6...3...1' COUNTDOWN – FOLLOW THE ROUTE AND YOU WON'T MISS A TURNING.**

# GIVING YOU DIRECTIONS

To view the checklist, just click on the next page. All you need to do is follow the road, working through the stages along the way.

Try to ask the Unilever Pensions Team for a retirement quote about **SIX** months before you want to stop work. This will give you time to ask for more details if you need them. (We know it may not be possible to plan six months ahead. If you're in this position, you may still be able to retire when you want to – but the earlier you start the process, the greater opportunity for your benefits to be set up on time.)

With about **THREE** months to go, you need to decide and agree a retirement date with your manager and we can start arranging payment of your benefits.

You'll receive a pack confirming your benefits with some forms to fill in – and we'll need those back about **ONE** month before you actually retire.

Please note: early retirement is with the consent of Unilever and the Trustees.

➤ Ask the Unilever Pensions Team at Capita for a quote (or quotes), telling them the date you want to retire. The aim is to send the information within 10 working days.

➤ If you have any questions about the quote, or you want to ask about getting more quotes for different options, call the Unilever Pensions Team.

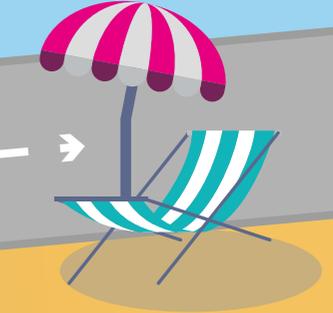

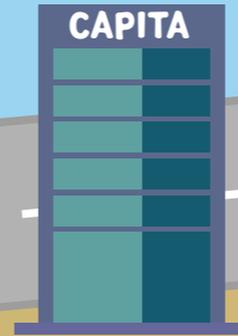

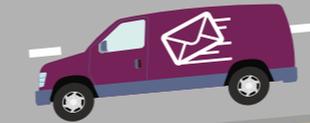

➤ ...and don't forget to book a 'Money Matters' one-to-one session to talk through your choices (see overleaf).

➤ Let your line manager know you're planning to retire - and your proposed retirement date.

➤ Fill in the option forms in your pack and return them to the Unilever Pensions Team.

You can keep asking for further quotes or information until you are happy...

➤ You  
➤ Manager/HR  
➤ Administrator

➤ Your manager or HR will update your resignation details on Workday.

➤ HR will confirm the date you're retiring with the Unilever Pensions Team – who will send your retirement pack to your home address.

(Give them a nudge if there's any delay!)

➤ The Unilever Pensions Team will aim to pay your pension from the first payroll date (normally the 21st of each month) after you retire, along with any tax-free cash you decide to take.

➤ Both the pension and any cash will go into the bank account you tell us about on your forms.
