Pensions Brief

November 2021 | Pensioner Members
From the Trustees of the Unilever
UK Pension Fund

Welcome to Pensions Brief

Welcome to the second edition of Pensions Brief from the Trustees of the Unilever UK Pension Fund. This newsletter covers information that you might like to know about your pension. It includes updates to the Fund over the last year, important news that affects pensions, how to get more information on your pension choices and more.

We'd love to hear what you think of Pensions Brief. Send us your feedback at [**pensions.uk@unilever.com**](mailto:pensions.uk@unilever.com)

Pension changes won't affect you

We've made some changes to the way pensions are going to be built up in the future. However, for pensioner members like yourself, the changes do not apply to pension built up before 1 October 2021. This means your pension benefit hasn't been affected.

We're focusing more on sustainable investment

As Trustees, we recognise that the global economy is transitioning to a new sustainable economic model. In 2020, we set up the Sustainability Working Group to review and potentially amend our approach. After reviewing our investment arrangements, we set a new target for us to reduce the carbon footprint of our portfolio by 50% by 2029.

We've published our Annual Report and Financial Statements

This year's shows how the Fund finances changed over the 12 months to 31 March 2021. To read it, go to uukpf.co.uk and scroll down to the Quick Links section.

The latest funding position is online

We report every year on how much money is in the Defined Benefit part of the Fund (its assets), and compare that with how much is needed in order to pay the benefits that members have built up (its liabilities).

Last year, there was a drop in the funding level because the reaction of stock markets to coronavirus caused significant falls in asset values. At 31 March 2020 the Fund was 96% funded.

The most recent funding update from our actuary shows the figures as they stood on 31 March 2021. It shows that, on this date, the funding had improved and was up to 111%. This is due to an increase in the value of our assets and little change in the value of our liabilities.

You can find the latest Summary Funding Statement at uukpf.co.uk/sfs2021. If you'd like a paper copy, contact the Unilever Pensions Team – details on the back cover.

Meet your new Trustees

We've welcomed 3 new Trustees to our Trustee Board this year.

Alex Aquino joined the Board in May as an Active-member Trustee. Alex worked in the Supply Chain at Unilever for 17 years and is currently in the Global Engineering team. His background branches from construction to research and development.

Thomas Lingard also joined in May as an Active-member Trustee. He's been with Unilever for 22 years and is currently working on projects relating to climate change, the environment, and sustainable development.

In June, we welcomed **Helen Georgountzos**, as a Company-appointed Trustee. She's been with Unilever for 6 years and is currently the Global Finance Director for Net Revenue Management.

Thank you to our previous Trustees, **Bill Hodgson**, **Daniel Jones** and **Roger Reed**, for their time, contributions and commitment to the Fund.

Matthew Powell also came to the end of his term of office as an Active-member Trustee and has been appointed as a Company-appointed Trustee for a period of 4 years.

Tony Ashford will be leaving the Trustee Board on 31 May 2022. He's been the Board's Chair of Trustees since 2014. In that time, he has overseen remarkable progress for the Fund, from helping

to improve the Fund's financial position to helping members make the right choices for their pension.

We look forward to welcoming a new Chair on 1 June 2022.

Watch out for pension scams

Pension laws often change. The government might introduce new rules or change the amount of pension benefits people can get. Scammers tend to use changes to pension laws as an opportunity to trick people. As you're already getting your pension, most of those worries might not apply to you. But unfortunately there

are other ways that criminals might try to cheat you. Be very careful if someone you don't know approaches you about your money – by phone, post or online.

Go to ageuk.org.uk and type scams in the search box. Or you can phone their free advice line on 0800 678 1602.

Triple Lock: Your pension is safe

You might have seen in the news that part of the State Pension's triple lock has been temporarily suspended. The triple lock is a term used to describe the 3 different ways to raise the State Pension each year. It's either raised by 2.5%, using the average wage increase or at the rate of inflation (CPI), depending on which one is the highest that year.

What's happened to the Triple Lock?

This year the average wage increase was 8%, which was much higher than expected. The increase was partly because, as furlough stopped, wages returned to normal so the average wage increase went up significantly –

another effect of the pandemic. In response, the government has temporarily suspended the part of the triple lock that says it'll raise by the average wage increase value.

Your Unilever Pension isn't affected

Although this affects the State Pension, the triple lock won't make a difference to your Unilever Pension. And the State Pension is still set to rise 2.5% or at the rate of inflation for 2022/23. After that, the government will return to its normal formula.

Has your address changed?

If you've recently moved house or have a new address please let us know. We need to keep your pension records up to date, to make sure the right person gets the right benefits at the right time.

You can tell us by contacting the Unilever Pensions Team – see the back cover for their contact details.

Update who you want to get a lump sum death benefit

It's not the happiest thought, but if you die within 5 years of starting to take your Unilever pension, a loved one can receive Unilever's lump sum death benefit. It's important to think about who you would like to receive this, so you'll need to make sure you've filled out the Nomination form for lump sum death benefit. Your beneficiaries can be your spouse, partner, children, or anyone else you have nominated.

Visit [uukpf.co.uk](https://www.uukpf.co.uk), select 'Pensioner member' and find the form under Downloadable documents.

Update who gets a dependant pension when you die

If you are taking benefits from a DB Career Average Plan or Final Salary Plan, your spouse or civil partner will be eligible for a pension when you die.

If there is someone else who is financially dependent on you, the Trustees may agree to provide them with a dependant pension. You'll need to nominate this person by filling in the Dependant pension request form – visit [uukpf.co.uk](https://www.uukpf.co.uk), select which kind of member you are and find the form under Downloadable documents. If you don't fill in and return this form, the Trustees won't be able to pay out a dependant pension to the person you'd choose.
